_ Notes by the translator :

_ About this form : Imam … tell in his book … about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book … about comapnion (Name) . It does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for every saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of Allah and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings and companions sayings about him Then I started to collect his sayings in specific topics to be more easy to reach and read .

_ Imam Al-Rawiani tell in his book Al-Musnad (1158) about Salamah Ibn Al-Akwa' that prophet Mohammed said , If a man and woman want to have sexual intercourse without marriage , they are allowed to do that for three days only . They can spend more days than that if they both agree .

_ Imam Al-Shafi'I said (Al-Bahr Al-Muhit / 5 / 212) , Sexual intercourse between man and woman outside marriage was allowed in first of Islam , then became Haram and not allowed , then became Halal and allowed again , then became Haram and not allowed for all muslims .

_ Having intercourse between man and woman for few days without permanent marriage was allowed in the first of Islam for nineteen (19) years , then became Haram and not allowed . And any one does it after being not allowed was punished by beaten by stones till he dies .

Then after some years , it was allowed again for three (3) days only , during conquest of Mecca . Then after three days , it became prohibited and not allowed on all muslims after that . And again , any one does it he will be beaten by rocks & stones till he dies .

And after it has been prohibited and not allowed , the marriage became a permanent relation and the man is only allowed to have intercourse with his wives and slaved women .

_ Note : the author released a second edition of the book which has slight modifications . This is the translation of the second edition .

__ That made some people say some things about this rule :

_ Some asked , are things are not good or bad by itself . Because when Allah allowed this act , it became a good thing and not a bad thing to do . Then when he prohibited it , it became a very bad thing to do and you will be punished till death if you do it .

Then Allah allowed it again for the second time , so it became a good thing again and there is no punishment at all if you do it . Then again Allah ptohibited it , so it became Haram and you will be punished by death if you do it . But the action is the same in all of that .

So they said are things in Islam are not considered good or bad until you see what God says about it ? If he allows it today , it's good . Then if he does not allow the same thing tomorrow , it becomes bad . Then if he allows the same thing after tomorrow , it becomes good again , and etc.

_ Some asked what is the big reason that made this action allowed for three days only in conquest of Mecca . Not even months , but (3) days only .

Some answered that in this time there were a lot of slaved women for every muslim man and they became in no need for this action . And this is possible , but there are no sayings for prophet Mohammed and his companions about that directly .

_ Some asked why this action was allowed only for comapnions of prophet Mohammed and became prohibited on all people after them . Prophet Mohammed comapnions were people and had desires for women and wanted to have intercourse with women .

But everyone else also have these desires and needs . So why it was allowed for his companions only . And if anyone does it after them , he will be punished by beating by stones till he dies .

_ Some muslims said that this action was already present when Allah sent prophet Mohammed to people . But others answered on that by saying there were many other types of marriage , and they all became Haram directly and from the first day , except this type .

Also , the religion is from God and prophet Mohammed orders people by what Allah send to him . So , the religion is not supposed to walk on people's habits and personal opinions and desires whatever they are .

Also , if he wanted to wait sometime to not make it Haram and not allowed suddenly , why he waited nineteen (19) years . Are prophet Mohammed companions needed (19) whole years to leave an action like that ? Not a year or two or three or four , but (19) years !

Also , during these nineteen years , there were already a lot of people grown up with doing this act , will he give them another nineteen years ?

Also , if prophet Mohammed companions , which are the greatest muslims and the most faithful followers to prophet Mohammed , needed (19) years to leave this action , so how many years other people will need ?!

Also , if the nineteen years were needed to not make it Haram suddenly , why it was allowed again in concuest of Mecca ? and for just three days !

_ Some said that this action was allowed in wars only . But others answered on that by saying that most of these nineteen years were free of wars .

But also let's assume that it's allowed in wars , is that an enough justification to allow it for companions of prophet Mohammed only and not allowed for every one else ?

Also , if prophet Mohammed's companions did not be able to leave intercourse with women , so he allowed them this action . How can you say to all people after them , you must be patient and not have any intercourse with any women except by permanent marriage !

_ Some said that this action is a type of marriage . But others said what marriage ? A man spend somedays with a woman and have intercourse with her and pay her amount of money they both agree on . Is this marriage ?

You can see the previous image in a lot of coming sayings of prophet Mohammed . Also if someone does this after it became prohibited , would you still say he did a type of marriage ?!

_ There might be more search in this matter to find the best possible solution , but the book is only for collecting sayings of prophet Mohammed about this matter .

1_ Imam Al-Rawiani tell in his book Al-Musnad (1158) about Salamah Ibn Al-Akwa' that prophet Mohammed said , If a man and woman want to have sexual intercourse without marriage , they are allowed to do that for three days only . They can spend more days than that if they both agree .
